

A Minute With Mitzi

Paul Harvey wrote the following message:

We tried so hard to make things better for our kids that we made them worse. For my grandchildren, I'd like better.

I'd really like for them to know about hand me down clothes and homemade ice cream and leftover meatloaf sandwiches. I really would.

I hope they learn humility by being humiliated, and that you learn honesty by being cheated.

I hope they learn to make their own bed and mow the lawn and wash the car.

I hope nobody gives them a brand new car when they are sixteen.

It would be really good if, at least one time, you can see puppies being born and your old dog being put to sleep.

I hope they get a black eye fighting for something you believe in.

I hope they have to share a bedroom with a younger brother/sister. And it is alright if you have to draw a line down the middle of the room, but when he/she wants to crawl under the covers with you because he/she is scared, I hope you let him/her.

When you want to see a movie and your little brother/sister wants to tag along, I hope you'll let him/her.

I hope you have to walk uphill to school with your friends and that you live in a town where you can do it safely.

On rainy days when you have to catch a ride, I hope you don't ask your driver to drop you two blocks away so you won't be seen riding with someone as uncool as your Mom.

If you want a slingshot, I hope your Dad teaches you how to make one instead of buying one.

I hope you learn to dig in the dirt and read books.

When you learn to use computers, I hope you also learn to add and subtract in your head.

I hope you get teased by your friends when you have your first crush on a boy/girl, and when you talk back to your mother that you learn what Ivory soap tastes like.

May you skin your knee climbing a mountain, burn your hand on a stove and stick your tongue on a frozen flagpole.

I don't care if you try a beer once, but I hope you don't like it...and if a friend offers you drugs, I hope you realize that he is not your friend.

I sure hope you make time to sit on a porch with your Grandparents and go fishing with your Uncle.

May you feel sorrow at a funeral and joy during the holidays.

I hope your mother punishes you when you throw a baseball through your neighbor's window and that she hugs you and kisses you at Christmas time when you give her a plaster mold of your hand.

These things I wish for you-tough times and disappointment, hard work and happiness. To me, it's the only way to appreciate life.

**UNDER THE BIG TOP -
A BOOMING SUCCESS!**

September 13th the Jamestown Civic Center was filled with nearly 450 Good Neighbors for our 29th Annual Good Neighbors Club Luncheon!

A wonderful lunch was catered by Classic Catering of Jamestown and served to the members by the Junior/Senior Class of Gackle Streeter High School. Both groups wore great big smiles and treated us like royalty.

At the completion of our lunch Rory Timm assisted with ten heated games of BINGO!

The afternoon ended with full tummies, old friendships renewed and new friendships made.

Many thanks goes out to my fellow employees of the Unison Bank for all they did to help make this year's luncheon a success. Clown hats wouldn't have been made, popcorn boxes wouldn't have been filled, and meals wouldn't have been served without their help. It takes lots of hands and big hearts to make this a success.

Please mark your 2018 Good Neighbors Club calendar and plan on attending next year's 30th Good Neighbors Club Luncheon!
