Premier MFA Device Print Guide

Unison Bank has implemented an additional layer of security to our Online Banking product. This helps ensure that your information is protected from fraud and identity theft. The following information is provided to guide you through the Enrollment and Log In processes.

ENROLLING

1. Enter your Access ID and click LOG IN.
 2. Enter your current password and click SUBMIT.
 3. When the enrollment window appears.
 - a) Enter or confirm your e-mail address.
 - b) Choose and answer 3 challenge questions.
 - c) Select whether you are logging in with your personal computer, or a public computer.**
 4. Click SUBMIT.
- **Only register personal computers that you frequently use and are not for public use.**

The screenshot shows the 'Enrollment' window. It has a blue header with the title 'Enrollment'. Below the header is a section titled 'Information' with two input fields: 'Enter your e-mail address:' and 'Confirm your e-mail address:', both containing 'me@web.net'. Below that is a section titled 'Challenge Questions and Answers' with three challenge questions and their answers: 'Name of first pet?' (Spot), 'Your favorite movie?' (The English Patient), and 'Your favorite book?' (To Kill a Mockingbird). At the bottom, there is a section titled 'Select one of the following options:' with two radio buttons: 'This is a personal computer. Register it.' (selected) and 'This is a public computer. Don't register it.'. A 'Submit' button is located at the bottom right.
